

GOLDEN VIEW

HEALTH CARE CENTER

Dear Families and Friends:

For many, many years now, The Golden View Community, providing Assisted Living and Skilled Nursing Services, has been proud to take care of the health of our Lakes Region seniors. Thanks to the generous donations of people such as you, we have been able to provide our residents with an easily accessible walking path enhanced by colorful gardens and resting areas along the way. Our perennial flower and memorial garden is beautiful now with vibrant colored flowers coming alive throughout the seasons. We have added several container gardens, converted scrub grass areas to attractive chip and garden areas, replanted winter-damaged perennials in our flag garden and resurfaced and re-stripped some areas of the walking path. The use of this pathway is constantly increasing and we have our generous donors to thank. The walking path is, indeed, a wonderful addition to The Golden View Community.

OUR EFFORTS TO ADD TO THE QUALITY OF LIFE FOR OUR RESIDENTS CONTINUES

We still have much to do both with the walking path and gardens as well as with other projects throughout the facility. Private donations are the only way Golden View can successfully carry out special projects or hold special entertainment events that will benefit our residents. Your generous donation---in any amount--will gratefully be accepted. The IRS and the State of New Hampshire recognize Golden View as a non-profit charitable trust under Section 501(c) (3) of the Internal Revenue Code. Unrestricted contributions are tax deductible to the extent the law allows.

You may choose to make your donation in your name, in memory of a loved one or through a living memorial in celebration of a living relative or friend---perhaps to recognize a holiday, birthday or anniversary. Your donation will be acknowledged in our annual list of donors (unless you specify otherwise). For those donations of \$500 or more, a memorial garden stone will be placed along the path honoring those designated by the donor. We currently have placed nine beautiful etched river rock or granite stones in our memorial garden. They are beautiful remembrances of special residents and their spouses.

Many of you currently have, or previous had, a loved one who lives (lived) at The Golden View Community. With your help, today's seniors will be able to enjoy expanded floral gardens, enhanced entertainment programs and the quality of life each has earned from their life's endeavors. Please join us today. Your support is needed and you can make a real positive difference in the lives of our elders.

Sincerely,

Jeanne Sanders
